Coronavirus update

Monday March, 16, 2020

Dear Clients,

The Administrative Council of the City of Geneva, following today's announcements from the Federal Council and the State Council, has taken exceptional measures in order to contain the propagation of the Covid-19.

We commit ourselves to apply and respect these sanitary and containment measures as well as those that may eventually take place in the coming days.

In accordance with this announcement, Le Richemond is closing its bar, its spa and Le Jardin restaurant until further notice.

As from tonight, our Guests may advance the orders for their meals at our Room Service.

Furthermore, a reduced cafeteria service will be available at the Bar, only for hotel Guests. We kindly request you to respect the maximum capacity allowed by the authorities, as well as the "social distance".

Our thoughts go to you and your beloved ones. The entire team at Le Richemond thanks your understanding for the reduced services. Be assured we are doing our best to make your stay as pleasant as possible.

We remain alert regarding further measures in the coming days and will keep you informed.

Remaining at your service I send my kind regards,

André Cheminade
