

LAURENT FERRIER

GENEVE

CREATIVELY CLASSIC

Laurent Ferrier opens its doors for an exclusive visit

After a presentation of the flagship products which made the brand famous, you will immerse yourselves in the world of the workshop. An exciting moment will allow you to learn step by step how a watch is designed and produced. You will discover its incomparable expertise and its unique universe during a private visit in its workshop located in the heart of Geneva. The Maison Laurent Ferrier will make you admire its prestigious collection. So that your experience lasts a little longer, all our visitors will leave with a special souvenir.
